

Layette

A word not often used today. Here's what the dictionary has to say:

~A complete set of clothes and supplies for a new baby~

Before each Mom delivers, we give her a layette as a gift, the gratitude and smiles on their faces give our volunteers a lift.

So we are having a "shower" to restock our supplies, our moms need the "layette" more than you may realize.

Currently, we have need for your monetary donations to help us provide for God's little creations.

With little effort, you can do your part, we know you will give with a generous heart.

The needs of our babies are very real, thank you for your donation to Friends of Birthright's "layette" appeal.
